## DENIAL OF REQUEST FOR WITHDRAWAL OF ATTORNEY OR AGENT

The request for withdrawal of attorney or agent filed 12/30/09 is acknowledged. However, the request cannot be granted at this time for the reason stated below.

- There is not an acceptable alternate correspondence address, either in the application file or the request. Please provide a correspondence address which directs correspondence to the assignee of the entire interest or one of the inventors to which further correspondence can be directed.
- No Power of Attorney has been established in the above-identified application. Accordingly, the withdrawal cannot be accepted because the practitioner seeking to withdraw is not of record.
- The Request for Withdrawal of Attorney or Agent does not contain the proper certification statements or does not provide an acceptable explanation for a certification that cannot be made. The practitioner(s) requesting withdrawal is required to certify that the practitioner(s) has: (1) given reasonable notice to the client, prior to the expiration of the reply period, that the practitioner(s) intends to withdraw from employment; (2) delivered to the client or a duly authorized representative of the client all papers and property (including funds) to which the client is entitled; and (3) notified the client of any replies that may be due and the time frame within which the client must respond. If the practitioner cannot make all of the certifications, an explanation detailing why the certification cannot be made must be included with the Request. See Official Gazette Notice entitled "Change in Procedure for Requests to Withdraw from Representation In a Patent Application," 1329 O.G. 99 (Apr. 8, 2008) available at <http://www.uspto.gov/web/patents/patog/week15/OG/TOC.htm#ref14>.
- The Request for Withdrawal of Attorney or Agent will not be treated because a Revocation of Power of Attorney has been filed. The Revocation of Power of Attorney will be treated separately.
- The Request for Withdrawal of Attorney or Agent will not be treated because it was filed after the application was patented or abandoned.
- The Request for Withdrawal of Attorney or Agent does not include a reason for withdrawal of the attorney or agent. See 37 CFR 10.40(b) and (c).

Questions relating to this Notice should be directed to the Application Assistance Unit.
